Cornea

October 25, 2022

Dear Editorial Board:

As the corresponding author and on behalf of my co-authors, please find enclosed a revision of the manuscript “Descemet Stripping Only (DSO) Technique for Corneal Endothelial Damage in Mice” to be considered for publication in *Cornea* as an original research article.

We have addressed all comments and questions raised by the reviewers and we appreciate the time and effort of the editorial board and reviewers.

Sincerely,

Thomas Dohlman, MD
