

Principles for Defining & Verifying the Authority of Online Providers of Health Information

First Advisory Group Meeting – March 12, 2021

The advisory group for the National Academy of Medicine project on “Principles for Defining & Verifying the Authority of Online Providers of Health Information” met for a virtual closed session from 1:00 to 4:00 pm ET on Friday, March 12, 2021.

The following members of the advisory group were present for the meeting:

- Raynard Kington
- Stacey Arnesen
- Wen-Ying Sylvia Chou
- Sue Curry
- David Lazer
- Antonia Villarruel

Representatives from the sponsoring organization, YouTube, attended the meeting from 1:00 to 2:00 pm ET to discuss their goals for the project and answer questions from the advisory group. The following YouTube representatives were present until 2:00 pm:

- Garth Graham
- Lee Halloran
- Nira Goren

During the remainder of the meeting, topics of discussion included:

- Refining the scope of the project task (i.e., the breadth and granularity feasible within the requested timeline and deliverables)
- Additional expertise needed by the advisory group and methods to obtain it
- Approach to the public webinar and public discussion document
- Next steps to execute the project, including potential working groups

The following materials (written documents) were provided to the advisory group in advance of the meeting:

- Briefing book
